**Spruce yurt has a stream nearby where you can treat water at your own risk.

In winter, we provide a hauling sled for each yurt located at the barn. You can also choose to melt snow for water.

YURT USE: Follow these simple rules to a happy yurting

- Pack it in-Pack it out!** you can use the dumpster at the farm upon your departure
- Please recycle your own bottles and cans
- Collect your compost and we will feed it to our pigs (just no meat please)
- Absolutely No** smoking in the yurt
- Restock firewood kindly for next guests
- Proper use of outhouse is mandatory. No toilet paper in woods- Burn in stove if you must.
- Shut off propane tanks when not in use
- Leave a message with office if supplies are low or items are missing
- Please keep all food in plastic bins provided for storage (keep our mice population down!)
- Keep the yurt clean and organized
- Securely close door when leaving
